Division B150, Banners

Limit: One banner per county. .Counties may want to consider several options for selecting a banner. One method of selection is accomplished by a drawing from those eligible to represent the county. A county may want to consider a rotation basis for all of the clubs insuring each club will eventually display a banner.

B1500001*

1. All banners must have been selected via a county selection process.
2. Each banner should illustrate a phase of 4-H work or promote 4-H generally. Copyrighted materials cannot be used.
3. When using the official 4-H Emblem (clover with the H's on each leaf), it must follow approved guidelines, which can be viewed at http://www.national4-hheadquarters.gov/emblem/4h_name.htm.
4. Banners are a two dimensional display, depicting one idea. See Posters for Exhibit Guidelines.
5. Dimensions are to be 3 feet by 6 feet. The banners can be arranged horizontally or vertically but will be displayed with the 3 foot side on the top. The exhibit will not be penalized for being arranged horizontally.
6. Banners must be hung on at least a ½ " dowel or a rod strong enough to support the banner. The dowel should be on the 3 foot side so banner will hang 3 feet across and 6 feet long. Banners mounted any other way risk not being displayed due to technical problems.
7. Banners should be made of materials that permit the banner to be folded or rolled without damaging the display. Three dimensional objects should not be attached to the front of the banner.
8. Attach a label and the current entry tag to the front lower left-hand (as you face it) corner of the banner. The label should include the name of the club and county. Letters on this label should be two inches in height.
